

Adams Golf Idea Tech V3 Hybrid Golf Club

Adams Golf IDEA Tech V3 Hybrid Golf Club

The amazing *Idea Tech V3 Hybrid* golf club from Adams Golf, continues the engineering excellence for golfers who truly desire the finest materials, design and golf club technology available today!

The Idea Tech V3 Hybrid Golf Club was engineered for players looking for the ultimate technology in club design. With an MSRP of just \$199.95, the Idea Tech V3 Hybrid from Adams Golf delivers exceptional performance, feel and looks.

The Idea Tech V3 hybrids feature strategically placed tungsten weighting in the premium stainless steel heads for enhanced

forgiveness and spin.

The sleek, easy-to-hit hybrid golf club from Idea Tech features:

- an ultra-thin face for increased ball speed
- V-shaped sole to reduce ground drag and turf interference
- Tungsten weighting at heel and toe lowers the center of gravity and increases the MOI; improves off-center shots
- Unmatched versatility and forgiveness
- Available lofts: 19, 22, 25, 29, 33-degree
