

For a Better Tasting Meal, Try Organic Extra Virgin Olive Oil

Organic Extra Virgin Olive Oil from *Olea Gourmet Healthy Food* is made from certified and organically grown ripe olives that contain no preservatives, solvents or chemicals.

100% cold-pressed, the company's Organic Extra Virgin Olive Oil is absolutely fresh and delivered direct from their olive grove in Spain to your home.

What makes this brand so unique is that only the finest olives are selected by hand and promptly pressed within hours of harvesting. The goal is to retain the fresh, wholesome goodness of nature's finest gift.

There are numerous factors that contribute to the quality of a particular olive oil. First, the quality of the fruit is critical, followed by the processing and post-harvest storage. Next, oxidation is caused by light, heat & age.

Olea Gourmet Healthy Food guarantees their Organic Extra Virgin Olive Oil to be 100% unadulterated Extra Virgin, plus without any of the bad practice that is often associated with the mass production of Olive Oil.

The quality of the Spanish company's olive oil is vitally important. They take enormous pride to ensure the results of an organic approach to farming and attentive post-harvest handling. Their goals is preserving the unique organoleptic and nutritional characteristics.

Organic Extra Virgin Olive Oil from Spain's *Olea Gourmet Healthy Food* is great tasting. Once you try it, you will never go back to any other olive oil.
