

Drive in VIP Style – Luxury Classic Cars from LBI Limited

Avid car collectors are often on the hunt for **luxury classic cars**. Rare models in excellent condition are very difficult to find these days. But how do you find that car you have always desired? [LBI Limited](#) is the answer.

LBI Limited is located in Philadelphia, Pennsylvania and specializes in the purchase, sales, and brokerage of investment grade, classic cars. The car company also offers classic car consignment, classic car storage, brokerage, in addition to other consulting services for both car buyers and sellers.

Many who own a luxury classic car are either serious car collectors or simply wanting to own a special car for their own. It could be re-owning the first car they drove as kid or fulfilling a dream. No matter your purpose, it can be very time consuming to locate and buy a classic car.

LBI Limited was founded in 2009 by By Andrew Mastin And Adolfo Massari. Their expertise in this industry have made them a popular choice to assist those looking for a that desirable, luxury classic car. An important change has been underway as the classic car market place has moved into a new generation. In addition to being widely known as a market for the car enthusiast community, it's also attracting a fast growing, investment community too.

Baby boomers are a large segment of the classic car market. What is interesting is they have lost some interest in the traditional 1950's era cars, which has dropped the overall prices for these vehicles. LBI Limited has seen this market shift themselves, and currently focus on American Classic cars from the 1930's, key Muscle Cars from both the 1960's & 70's,

and of course the classic imports.

If you are curious about a few luxury classic cars they have available, here is a sample list:
