

Enjoy Ibiza and Stay at Cas Gasi – A Luxury Boutique Hotel

[Cas Gasi](#) is one of Ibiza's original sustainable hotels. This luxury boutique hotel and organic farm is located in the heart of Ibiza's scenic countryside. It is clear this property focuses on its original commitment to sustainability and holistic wellness ethos.

In 2022, Cas Gasi introduces exciting new opportunities, activities and additions. This amazing boutique hotel is set upon four hectares of land in a secluded, idyllic location. Therefore, you not only enjoy a VIP experience, but also have privacy. Recent updates to the property reaffirm the hotel's continuous advances towards sustainability.

You can stay at a year-round luxury boutique hotel that has been part of an on-going evolution towards concern for the environment. As a result, this exquisite property shows evidence of an ever-present conscious and wellness focused ethos.

Property Sustainability, Additions & Updates for 2022

Sustainability remains a core tenet of the Cas Gasi philosophy since its inception. Thus, the advances in the property's organic agriculture towards "No Dig" is a massive step forward. Also seen are energetic auto sufficiency, by means of photovoltaic panels on the roofs of the stunning Ibizan Palaces. Furthermore, all of the hotel's vehicles are fully electric. Plus, several electric chargers are found on the property for guests who wish to drive responsibly while visiting.

The food served at the property's restaurant is essentially

all organic and 0 KM. Also, the delicious food features plenty of vegan options. Twice a month during the summer season, the hotel hosts farm-to-table evenings. For example, selected guests sit on the long tables among the olive trees. Dine in style under the starry Ibiza sky in the evenings. Pure luxury.

A re-design by Cas Gasi to its on-site vegetable garden, make the stunning vegetable plot more of a garden-like utopia. It is a “No-Dig” system. Continuing, guests can walk around, eat, and relax among the beauty and bounty of Ibiza’s nature.

The land’s agricultural output also includes jams produced from fruits grown on site, quince paste and tomato sauce. In addition, marinated olives and Cas Gasi’s special organic cold pressed olive oil. All items are available for purchase in the hotel’s shop. It’s an intoxicating boutique that caters to the most extravagant and demanding tastes.

Ibiza is a true paradise and attracts ever more discerning

visitors. The Cas Gasi restaurant offers an enchanting setting and organic cuisine and will be open to guests beyond those staying at the hotel. More broadly speaking, the island's restaurant scene is a mix ranging from local to sophisticated. Ibiza is definitely a destination for all major foodies. In addition, the beauty and quality of the numerous beach restaurants has been impactful in this resurgence.

Where to Go and How to Get There – A New Ibiza Experience

Cas Gasi promotes wellbeing at a personal level. As well as with individual tailor-made retreats, available for those who do not wish to join a larger group.

Travel continues to evolve in recent years. Therefore, it is increasingly popular to go hiking or on e-bike excursions throughout lesser explored parts of the island. These Ibiza island excursions can be guided or not. In addition, you may find yourself on a path which hasn't changed in hundreds of years.

The Old Town features world heritage walls and an imposing castle. It offers visitors a medieval spectacle at the end of May. Hence, island visitors are taken back to another era for a week. Ibicencos recreate historic life and professions. Discover era-appropriate costumes that engender an immersive ambiance alive with markets. Of course, they feature potters, bakers, weavers, winemakers, butchers, carpenters, and shoemakers.

The markets stretch along the narrow intramuro streets. As a result, this special time on the island reminds visitors of Ibiza's rich history. In conclusion, it is one that has been home to numerous cultures and civilizations over millennia.
