

Exceptional Luxury Properties for Those Who Desire a Luxury Lifestyle

Almost everybody dreams of a [luxury lifestyle](#). We wanted to share 3 **luxury properties** and hope to help make your dream become a reality. Plus, we all have seen amazing luxury properties on TV shows and in the news. Maybe it's now your turn to own one.

Of course the number one inhibitor is money. Buying a \$5 million, \$10 million or more property is a lot of money. Of course very few people can afford that. But if you do, enjoying luxury living will be a truly [VIP experience](#). Therefore, we hope you enjoy hearing more about these luxury properties.

English Country Estate Mahwah, NJ – Price: \$18,900,000

Located on 43+ breathtaking acres along the panoramic Ramapo River, this English Country estate has it all. Be treated to an incomparable lifestyle within close proximity to Manhattan, New York. For the equestrian, there is a 20 stall barn with state of the art amenities. In addition, enjoy an indoor riding arena, paddocks and trails.

For the sports enthusiast, enjoy a spa and outdoor infinity pool. You will also find a soccer/football field and basketball court. In addition, bring back the romance in your life with a private outdoor spa in the master suite.

Also included, are sport lounges throughout the estate. There is an indoor pool, home theater and wine cellar. It doesn't end there. Continuing, you will enjoy an English Pub/banquet, full gym, massage room and even a padded recreation area.

Seattle, Wa \$9,388,000

The Market Place Tower – Penthouse in Seattle, Washington is stunning. It's a rare opportunity to own 1 out of only 7 residences in the Market Place Tower. This high demand location is situated in an urban community.

Now you can take advantage of this rare opportunity. Acquire one of only 7 residences in sought-after Market Place Tower. This luxury penthouse is found in one of Seattle's most sublimely private and discreet urban communities.

The property encompasses over 4,500 sq ft of living space and spreads over 2 levels. It delivers a welcoming environment for reconfiguration. As a result, this spacious unit offers the

chance to create the city's most spectacular penthouse. Gaze out to unobstructed views of Puget Sound, Elliott Bay and Olympic mountains. Lastly, relax on the 300 sq ft of landscaped patio.
