

# Holston House Hotel to Open this December In Nashville

We want to share another exciting, new hotel opening. This one is in downtown Nashville, Tennessee: **Holston House Hotel**. This **luxury hotel** is part of The Unbound Collection by Hyatt, which will officially open its doors to guests later this year in December 2017.

Perfectly situated, the 191 room property will be centrally located in the heart of downtown Nashville. Guests are just steps away from the Lower Broadway area and other exciting local attractions. Holston House will bring a mix of Nashville flair and history with innovative, upscale offerings. Expect a variety of luxury amenities, including beautiful design, signature suites, a fitness center and locally inspired F&B options. In addition, there will be 3,000 square-feet of meetings and event space and much more!

With the opening of Holston House, the Hyatt property will bring a new level of upscale and elevated amenities to downtown Nashville. Industry experts expect the property to quickly become the premiere Nashville hotel for both vacation and business travelers. This new luxury hotel is located within an iconic, 88-year-old art deco building on 118 Seventh Avenue North. It is only a block away from the renowned Lower Broadway area of Nashville.

Peter Tziahanas is the hotel's General manager and says, *"Nashville has become a hot spot for travelers in the U.S. and abroad, and we're excited to offer visitors and locals alike a uniquely decadent, personalized and authentic experience in the heart of Nashville,"* says Holston House. *"Holston House will provide luxurious touchpoints while highlighting our hometown's soulful energy and signature sense of adventure."*

Each of the hotel's 191 rooms will be beautifully decorated. Included are six, spacious luxury suites. Two of which are signature, 12th floor Bungalow Suites. The interior of the hotel will be updated to complement the art deco details found on the building's exterior. This effort pays honor to the iconic building's historic craftsmanship.

Foodies will enjoy a variety of food and beverage offerings. Included will be a lobby lounge and fun rooftop bar. This will be perfect for social gatherings and the chance to enjoy nice views of downtown Nashville. The hotel will feature three culinary and cocktail experiences with unique concepts from APICII restaurant group, based in New York. The premier restaurant will offer a fine dining experience. It can be found just off the main entrance of the hotel.

GM Peter Tziahanas continues, *"We are excited to soon introduce Holston House as one of the newest properties within The Unbound Collection by Hyatt," said George Vizer, global vice president, franchise operations, Hyatt. "The brand sets out to turn guests into storytellers, providing them with new adventures and authentic experiences."*
