

Limited Edition Navitimer Super Constellation Watch by Breitling

Breitling Limited Edition Navitimer Super Constellation Watch

A luxury watch is always a perfect gift for Father's Day. The latest watch from Breitling may be the ideal pick.

Breitling just released the limited edition Navitimer Super Constellation watch. This luxury timepiece is a perfect gift for fathers of any age.

All Breitling luxury watches are manufactured in Switzerland and COSC-certified for ultimate precision.

This exclusive watch from Breitling commemorates the watchmaker's ongoing support for the Lockheed L-1049 Super Constellation plane of the 1950s. There is only one Lockheed L-1049 plane still operating today.

The limited edition Navitimer Super Constellation watch is

available in various strap bracelets. You can choose from Crocodile Leather, Barenia, an Air Racer band, and the Nativer.

As a limited edition timepiece, only 1,049 watches were produced in tribute to the plane.

The retail price of the limited edition Navitimer Super Constellation watch from Breitling is \$6,475.
