The grounds surrounding La Mamounia include 300 year old olive trees, in addition to a vegetable garden. The hotel was designed with Moorish opulence and offers unlimited luxury amenities to make each hotel guest feel special.

For a true VIP experience, visit the 27,000-square-foot Spa La Mamounia and indulge in ultimate spa pampering. Spa La Mamounia focuses on both the beauty of mind and body. Spa La Mamounia now features Amala as its signature line of skincare products. Amala is respected as the world's premier plant-powered luxury skincare brand, utilizing whole plant ingredients from the foothills of the scenic German Alps.

Like La Mamounia, Amala believes in nature's transformative powers, so a partnership was meant to be. Spa La Mamounia features traditional hammams, stunning treatment rooms, Jacuzzi, relaxation room, fitness and exercise spaces, gorgeous indoor pool, in addition to both manicure and pedicure cabins.

The new spa therapies at La Mamounia are based on Amala's six skincare lines and focus on specific needs such as – rejuvenate, hydrate, purify, soothe, brighten and detoxify. Below are the description of two luxury spa therapies:

New Amala facial experiences (30-90 minutes)

Focus on moisture infusion to replenish dry, dehydrated skin

with nourishing plant oils; soothing hydration to improve elasticity and calm delicate skin; anti-oxidant age repair using age-defying plant actives; refining to restore youthful firmness and supple texture with powerful marine botanicals; rebalancing for combination skin; deep cleansing to clarify pores and purify the skin with nature's most powerful phyto-actives and Rhassoul clay; radiance with botanicals rich in powerful peptides; and brightening with high potency plant actives to even and clarify skin tone and refine texture.

Amala body therapies (45-150 minutes)

Focus on: energizing to release tension via a stimulating exfoliation, detoxifying mask and invigorating massage using Thai and Shaitsu techniques, complemented by a mini facial; stimulating with a marine body wrap that envelops the body in vital nutrients of the sea, complemented by foot reflexology and dry brush exfoliation; soothing and purifying with a full body exfoliation via a mineral rich sea salt and crushed olive stone body polish, followed by a detoxifying clay body mask; aromatherapy including a shoulder massage, purifying scalp mud mask and skin renewing express facial; and pure back cleansing to detoxify for more even tone and texture. Additional Amala signature therapies at La Mamounia highlight sports and therapeutic massage; mama-to-be relaxation; warm stone massage; and revitalizing foot reflexology massage.

The word Amala translates into "most pure" in Sanskrit and is considered the beauty industry's premier plant-powered luxury skincare collection. Amalza skincare beauty products are used at many five-star spas located around the world.
