

Luxury Watches and Fine Jewelry from Stephen Silver – Say “I Love You”

Stephen Silver is a Silicon-Valley based gemologist, geologist, diamonteer, and philanthropist. For **Valentine’s Day**, give that special person in your life an amazing gift. A gift of love, a gift that shows how much you care. Solidify you saying “I Love You”, with fine jewelry that will make it a memorable day.

Over the prior 39 years, Stephen Silver has established a reputation amongst his global network of jewelry industry contacts and elite gemstone collectors. He became intrigued by science and minerals at young age. Hence, Silver’s expertise in diamond and color gemstone cutting and jewelry design is unrivaled.

Gemstones, precious jewelry, and handcrafted luxury timepieces offer a distinct advantage over ephemeral Valentine’s Day trinkets. We know anybody can give chocolates or greeting cards. But by investing in fine jewelry or a luxury timepiece crafted to an exceptional standard, the giver offers the recipient a lifetime of precious memories. Therefore, they can enjoy them again and again with each wear.

With this in mind, Stephen Silver and Jared Silver have curated a Valentine’s Day luxury gift guide. As a result, it’s calculated to bring joy to any recipient on this special holiday. In addition, each piece is available at the Stephen Silver Fine Jewelry boutique at the Rosewood Sand Hill resort in Silicon Valley, in California.

Make Valentine’s a special and give the gift of love, with luxury watches and fine jewelry. We hope you enjoy these amazing Stephen Silver pieces.

Luxury Women's Accessories

These mysterious and alluring carved jade and pink sapphire earrings by Stephen Silver make unique and ideal Valentine's Day gifts. As a result, they are ideal for the bohemian at heart.

Carved black and white Burma Type A jade stones form the heart of these handmade drop earrings. Each is framed by 4.13 carats of pink sapphires. Plus, the 18 karat white gold settings are also artfully adorned with black enamel accents.

This original diamond and ruby beaded necklace by Stephen Silver cleverly contrasts gemstones and textures with dramatic effect. Plus, the 32" white gold chain is composed of rose-cut diamond beads (17.63 total carats). In addition, it features 10.50 total carats of gorgeous ruby beads and delicate seed pearls.

This opera-length necklace draws inspiration from the past to create a classic look. It is also quite versatile, allowing it to be doubled up or worn as a single long strand.

Dainty yet dynamic, these 18 karat white gold ruby and diamond earrings are stunning. From Stephen Silver, they feature twin round brilliant-cut ruby center stones (0.67 carats total). Plus, they're framed by a whirl of baguette-cut diamonds (0.64 total carats).

They will make perfect additions to any woman's wardrobe. Therefore, it will take her from date night to workday, with ease.

Stephen Silver's original handmade ruby halo ring is both

glamorous and crafted to the highest standard. Hence, the gift is for those seeking to make a big gesture this Valentine's Day.

The GIA-certified "Vivid Red" heated octagonal step-cut ruby measures an astonishing 4.04 total carats. It is also surrounded by two rows of round brilliant cut diamonds weighing 0.72 total carats.

Silicon Valley's exclusive MESSIKA Exhibition at Rosewood Sand Hill offers chic jewelry options. As a result, they make ideal Valentine's Day gifts for the fashion-forward woman.

The MESSIKA Experience offers an array of bold and graphic jewelry pieces. Consider the Messika Move 10th Anniversary pavé necklace in 18 karat rose gold. In addition, it is beautifully set with 1.18 total carats of G-color and VS-clarity round brilliant cut diamonds.

His and Hers Timepieces

We know that style icons need equally impressive accessories. An example is this Bulgari Serpenti Tubogas quartz watch.

Its 35mm stainless steel curved case features an 18 karat rose gold and diamond bezel. In addition, the bezel frames a silver opaline dial. Therefore the sinuous stainless steel and 18 karat rose gold single spiral bracelet adds further drama to this iconic design.

The 40 mm Bulgari Octo Finissimo Skeleton automatic watch channels the sleek, contemporary Italian style of Bulgari.

The thick lines of the sandblasted 18 karat red gold octagonal case and red gold hands offer a warm contrast to the

skeletonized black movement. Also, the seamlessly integrated black leather strap is stylish.

His and hers Hermès timepieces from Stephen Silver Fine Jewelry make a truly haute declaration of love. The emblematic Heure H model was first envisioned by Philippe Mouget in 1996. Hence it comes reissued and dressed in diamonds and romantic red leather in this Hermès Heure H Mini model.

Dainty yet daring, the H-shaped stainless-steel case of the Hermès Heure H Mini model is luxurious. In addition, it frames a luminous white mother-of-pearl dial adorned with 11 diamond dot hour markers.

Incredibly light, slim, and elegant, the elegant Hermès Slim D'Hermes watch from Stephen Silver is amazing. It makes the perfect gift for a man who needs a versatile timepiece for all occasions. The Stephen Silver luxury watch comes with a 39.5 mm titanium case. It also measures just 9mm high, and features an impressive 2.6mm high movement containing a micro-rotor.

A matte graphite-colored leather strap with orange detailing. It plays on the subtle Hermès orange accents found at 12 o'clock, 6 o'clock, and on the small seconds hand.
