

# Porsche Go-Kart – Be the Envy of Your Neighborhood

Photo: Driver's Selection by Porsche Design

Now available, it's the gift for that child that has it all – a Porsche Go-Kart !!!

It's a lightweight pedal-powered go-kart that was designed suitable for drivers of up to 5'2" and up to 110 pounds.

The target age range is 5-8 years. Just think junior may be driving a luxury Porsche before his parents!

The Porsche Go-Kart is available from Driver's Selection by Porsche Design, who is the lifestyle clothing and accessories line of the luxury automaker.

The Porsche Go-Kart is available exclusively through authorized Porsche dealerships and comes with a suggested retail price of \$900. It also comes with the following features:

- A sturdy metal frame and pneumatic air filled tires
- Ability to pedal both forward and backwards

- Coaster braking system
