Modern Contemporary Meets Pop-Art

Have a look at possibly the most sumptuously curated home in Dubai. This brand new custom modern contemporary villa has been designed by the owner from scratch. The developer teamed with award-winning architects – SAOTA. There is utmost care given to every detail. Priced at AED 120 million, this home is possibly the most expensive villa on the Palm Jumeirah. The ONE100 spans over 3-floors and has a built-up area of 14,000 sq.ft. The luxury villa sits within the most sought-after frond on Palm Jumeirah. It has private beach access and offers extraordinary sea views.

This masterpiece in luxury augments the life of its residents. That is evident from 5 oversized VIP bedroom suites with the master extended to a 1,300 sq.ft. of space. Eight extravagant bathrooms are adorned with book-matched unique Italian marble. In addition, it's equipped with the ONE100 branded custom bathrobes, linens & towels.

With three gourmet kitchens including a professional restaurant galley, it is an apt venue for those for a taste of the good life. Lounge in the massive double-height living area. Plus, look out to the pool or take a rejuvenating sun bath by the glass tile infinity pool. Plus, enjoy looking out to the beautiful ocean views. Celebrate with friends and family in the multiple outdoor lounges. Break a sweat in the state-of-art fitness center on the top floor. ONE100 is designed for an all-encompassing extravagant lifestyle.

The luxury Palm Jumeirah villa features three astonishing full-sized bars. There is also a cellar fully stocked with top-notch brands. The bars also feature limited edition and vintage bottles. Needless to say, it will never be a dull party at ONE100.

After dinner entertainment is an affair in its own right with three world-class indoor/outdoor cinema lounges. There is an outdoor hydraulic pop-up theatre on the ground floor and a rooftop outdoor cinema along with an acrylic glass Jacuzzi. Watch your favorite shows on a pop-up TV. A state-of-the-art home cinema with IMAX screen, 4k projector, and Dolby ATMOS sound system is located on the second floor as well. Enjoy a popcorn and nachos machine and a candy bar for snacks.

From the one-of-kind bespoke Bentley & Fendi furniture to the luxurious interior decor by Louis Vuitton & Hermes. The entire Palm Jumeirah house is fitted with unique custom made furniture and furnishings. The decor includes ultra-luxury brands, handpicked and sourced from around the world by the owner.

Designed like a custom art piece itself, the villa is embellished with unique artworks from French artist Richard Orinsky and Finnish sculptor Eero Arnio. Even more include art pieces by Fidias Falaschetti & a 3 meter tall "Bumble Bee" statue from the movie "Transformers". Surprisingly, the home also comes with a Ferrari 599 GT0 and Rolls Royce Wraith in the luxury garage. It includes a custom wall-to-wall LED screen, not to mention a fully customized Harley Davidson Ultra Glide from USA. It is installed inside the house.

ONE100 is also home to the most advanced voice activated home tech system in the UAE with personalized software. The central home management system is controlled by latest generation iPads around the house. It includes the custom lights, blinds, entertainment areas as well as custom AC systems from Titus USA.

This one-in-a-million villa in Palm Jumeirah, aspires the desire for true luxury in all. Every aspect of the Dubai home is flawlessly designed and meticulously crafted. As a result, with all things said, a home of this stature has never been seen before in the UAE.
