

Stephen Silver Fine Jewelry – Mother's and Father's Day Gift Guide

Tomorrow is **Mother's Day**. It's a special holiday celebrated around the world. The day honors mothers, who offer unconditional love and support. For this [Mother's Day](#) and next month's **Father's Day**, **Stephen Silver Fine Jewelry** presents a special selection of timely and appropriate gifts. Each [luxury jewelry gift](#) will honor and impress parents on their special days.

In a challenging season, mothers and fathers have done so much during the COVID-19 pandemic. More than ever before, every parent deserves to be celebrated with a very special gift (or two!). Therefore, make their day a special one.

For this Mother's Day and Father's Day, Stephen Silver Fine Jewelry presents a special selection of timely and appropriate gifts. As a result, they will each honor and impress parents on their special days. For example, they include house-made jewelry designs and the latest timepiece novelties from leading independent watchmakers.

Spring Greens and Tourmalines

Mother's Day offers the perfect opportunity to add some color to her jewelry box. Consider a right hand ring, colorful bracelet, or statement necklace.

A mint tourmaline bracelet was years in the making. Thus requiring Stephen Silver's expert eye to painstakingly source, match, graduate, and set these cushion-cut mint green stones. Together it weighs 57.59 total carats.

The mint tourmaline yellow gold halo ring by Stephen Silver is sure to be a conversation starter. Thanks to its striking mint

green cushion-cut center stone, it weighs 1.93 carats. In addition, a halo of round brilliant cut diamonds and a diamond-set band (totaling 0.72 carats) complete the elegant, artisan-made piece.

This striking Afghanistan emerald and diamond necklace is the regal Mother's Day gift of a lifetime. For example, there are over 24 carats of Afghani cushion-cut emeralds alternate between Asscher cut diamonds (17.10 total carats). Amazingly, each stone appears to float on the platinum knife's edge.

Moody Blues

Stephen Silver explores the mysterious, moody quality of moonstones paired with vibrant sapphires. The finished product makes each a colorful Mother's Day gifting option that is sure to delight.

This classic moonstone and sapphire ring exudes cool elegance. The 38.95 carat round cabochon moonstone center stone is gorgeous. In addition, the round brilliant cut blue sapphires (1.58 carats total) is brilliant. Each is set in 18 karat white gold.

Stephen Silver's Moonstone and Multicolored Sapphire Ring presents a playful pairing of rainbow-hued fancy sapphires (0.60 total carats). Plus, a 2.26-carat marquise cut moonstone set in an 18 karat yellow gold mounting.

Sapphire halo stud earrings by Stephen Silver Fine Jewelry offer the ideal complement to these moonstone and sapphire ring styles. The 18 karat white gold earrings feature 4.00 total carats of round brilliant-cut sapphires surrounded by 0.20 total carats of round brilliant cut diamonds.

Pretty in pink and yellow gold

These Stephen Silver Fine Jewelry designs offer fun and feminine Mother's Day gifting options. They perfectly pair pink and purple hues with warm yellow gold.

Classic pearls get a fresh and versatile new look with Stephen Silver's Peacock Tahitian and Kasumiga Pearl Earrings. The double-sided 18 karat yellow gold stud earrings can be reversed. As a result, they show off the 14mm purple Kasumiga pearls on one side or the 9.5mm peacock Tahitian pearls on the other.

Whether worn as an accent piece or alone, this yellow gold bezel set diamond bracelet is destined to become her hardest-working jewelry staple. The bezel settings offer a clean look that will appeal to minimalists. Hence the strongly secured round brilliant cut diamond is incredible. This makes this a beautiful and practical Mother's Day gift that can be enjoyed every day.

New timekeepers for Father's Day

Time is a precious thing. Therefore, the gift of a new wristwatch has always made a meaningful gift for dads. The Stephen Silver Fine Jewelry timepiece boutique offers the latest and rarest in-demand timepieces. You can choose from some of the world's most storied watch brands and fascinating independent watchmakers.

The Ressence Type 3X titanium luxury watch is currently available, but likely not sure long. Ressence has risen to the forefront on a groundswell of collector interest. As result, the demand for each Ressence novelty launch has proven to outstrip supply.

Greubel Forsey has long been a grail watch brand for die-hard horologists. Given the brand's technical prowess, minute attention to detail, and groundbreaking innovation. The brand's first-ever sports timepiece is the the Greubel Forsey Balancier S. It offers all this and much more.

The Bulgari Octo Finissimo Skeleton Titanium is the latest timepiece to join Stephen Silver Fine Jewelry's extensive BVLGARI timepiece collection. The 40mm octagonal titanium

timepiece features a skeletonized dial and black strap. As a result, it makes an unforgettable Father's Day gift for the man who cherishes design and horology in equal measure.

We wish all the moms and dads a wonderful Mother's Day and Father's Day. We hope you enjoyed the gift ideas from Stephen Silver Fine Jewelry.
