

# Discover New York City – “Through the Lens” Photography Experience

New York city is the city that never sleeps. Millions of people live in the Big Apple and either visit or conduct business there. Now you can view New York City from a different angle with “Through the Lens” photography experience being offered by Brite Spokes.

Get a chance to capture the true essence of NYC along with photographer professionals. You’ll learn to view and shoot a wide variety of subjects including landscape, fashion, action, boudoir, plus aerial photography.

The “Through the Lens” travel adventure package is six-days and five-night and includes an exclusive workshop hosted by leading photography brand, Adorama.

The course will give travelers a unique experience to try a variety of camera styles. You will have the opportunity to use state-of-the-art camera equipment in addition to learning clever camera techniques prior to venturing out into the heart of New York City and start shooting.

Two of the photographers you will work with include aerial photographer Alex MacLean and boudoir photographer Jessica Lark. These fascinating photo sessions are a great way to learn the tips of the trade and improve your own skills.

In addition, your package includes a VIP tour of the International Center of Photography. You will take to the skies with a helicopter trip that will provide a memorable aerial photo session. There is a night photo safari plus get pampered with a a hair and make-up experience in preparation for a private photo shoot at a local NYC portrait studio.

What is included in the “Through the Lens” travel adventure package is nightly accommodations at a leading New York City hotel, select meals during your stay, luxury motor coach transportation to your various outings and excursions, 24/7 customer service, the assistance of an experienced trip manager, plus your portering fees, gratuities and taxes.
