

Enjoy a Norwegian Fjords Road Trip in an Electric Porsche Supercar

Looking for the ultimate luxury vacation? Enjoy a weeklong program is an eco-sensitive, road-tripping adventure. Drive an **electric Porsche supercar** and experience aa amazing Norwegian fjords road trip.

If you're a fan of adventure and luxury cars, this new supercar driving program is for you. In a luxury electric Porsche car, you travel through Norwegian fjords and the Sunmore Alps on a supercar road trip. Plus, enjoy empty open roads and breathtaking scenery behind the wheel of an **electric Porsche Taycan Cross Turismo**.

Since the route is pre-programmed, all you need to do is the driving. Thus, you will drive the roads along mountain passes, bridges and labyrinthine tunnels. Amp up with an adrenaline rush. This VIP experience is perfect for any driving enthusiast.

This unforgettable road trip is available on June 12, August 7, or September 4, 11, 18. The seven day fjords supercar adventure is created by specialist travel company Off the Map Travel. It will be like a racetrack experience along the edge of the fjords. For example, your emission-free electric supercar Porsche comes equipped with pre-programmed routes. Your journey traverses through Norway's stunning fjords and mountains.

Are you ready? Simply set the car on cruise control, feel the power, and take in the ever-changing scenery outside. Therefore, your electric Porsche Taycan Cross Turismo will smoothly handle the winding mountain and forest routes that long inspire Norwegian folklore.

Norwegian Fjords Road Trip

The seven-day, six-night drive the fjords itinerary has a price from £7899 per person (approx. \$9,747 USD). Also, the travel package includes all meals and accommodations, based on double occupancy. In addition, this luxury travel package also includes are transfers, all activities and use of the electric Porsche Taycan Cross Turismo. Flights to Norway are additional.

Your road adventure allows you to journey along the spectacular Atlantic Road. It is also known as “the road across the sea”. Hence, its imposing seven bridges and network of tunnels, travel deep into the magnificent mountains. See the Troll Wall, the largest rock wall in Europe. In addition,

take a ferry into the gaping Geiranger fjord. Next, journey up a gondola for the views of the North Atlantic. Also, experience the fjords from the sky in a private helicopter.

Plus, food lovers are in luck too. Each day, the meal menu features the region's best local cuisine, including seafood from hyper-local purveyors.
