The Ritz-Carlton, Dubai International Financial Centre

Another ultra-luxury property has just opened in Dubai – The Ritz-Carlton, Dubai International Financial Centre.

The incredible Ritz-Carlton, Dubai International Financial Centre features a 341-room hotel along with 124 executive residences. This new property also includes the largest ballroom in the entire Dubai financial district, in addition to a stunning ten-story waterfall.

The Ritz-Carlton, Dubai International Financial Centre now becomes the second Ritz-Carlton in Dubai and the sixth property in the region for the luxury hotel company.

The Ritz-Carlton is the only hotel that is directly linked to the complex of buildings in Dubai International Financial Centre. To offer the ultimate social hub, the The Ritz-Carlton will feature *No. 5*, which is the hotel bar located in the prime welcoming position at the end of this pathway.

The center piece of the luxury bar *No. 5* is an unbelievable 30 meter (100 feet) wine wall that will hold up to 3,000 bottles of the finest varietals in the world.

The *No. 5* wine wall will truly be a focal point for both gourmands and wine connoisseurs.

The The Ritz-Carlton, Dubai International Financial Centre also provides several fine dining restaurants that all boast an expansive outdoor terrace, including:

- *Blue Rain*, the signature Thai fine-dining restaurant
- *Can Can*, a French all-day dining brasserie
- *Center Cut steakhouse*, providing multiple settings for the enjoyment of the cuisine made famous by The Ritz-Carlton chefs
- The *Lobby Lounge & Terrace* offers a casual elegance for the enjoyment of afternoon tea

The sensational 10-story outdoor waterfall cascades down the building directly into the courtyard facing the lobby. It is an incredible sight!

The luxurious Ritz-Carlton also features a total of eight striking water features found throughout the hotel. Designed not just for an aesthetically and aurally pleasing look, the water features also proudly represent the “feng shui” belief that the constant flow of water signifies wealth and prosperity.

For those looking to exercise or just be pampered, the The Ritz-Carlton, Dubai International Financial Centre also offers a fully equipped health club in addition to a luxurious Ritz-Carlton Spa, which provides 13 luxury treatment rooms.
