

Trump SoHo Presidential Penthouse for Sale – \$50 Million

Trump SoHo New York is a 46-story ultra-luxury hotel condominium. For those who desire the ultimate in luxury living, consider the unveiling of its Presidential Penthouse – now on sale with a staggering list price of \$50 million.

The stunning and luxurious Presidential Penthouse consists of over 10,000 square feet and features ceilings over 20 feet high. There's a 362 square-foot terrace and floor-to-ceiling views of the iconic Statue of Liberty and Empire State Building, plus the Hudson River, Brooklyn Bridge and new Freedom Tower.

The Presidential Penthouse encompasses a customizable space on the top two floors of the award-winning New York city hotel. No where's your opportunity to design a dream home overlooking all of New York City at downtown Manhattan's most coveted address.

Prospective buyers of this luxury penthouse will truly be attracted to the unique lifestyle benefits of a world-class luxury hotel. It comes complete with five-star service and amenities, including an expertly-trained multi-lingual Trump Attaché who will personally attend to each and every of the penthouse owner's needs and preferences.

Owners can also enjoy 24-hour in-room dining; a health club outfitted with state-of-the-art Technogym(tm) cardiovascular equipment, free weights, and kettle bells; the Library lounge; valet parking; 24-hour doorman; nanny services; full service business center; meeting rooms and function space; wireless Internet.

There is also on-site security system and staff; overnight laundry and dry cleaning; signature Trump Kids and Trump Pets programs; and a dedicated multi-lingual owner representative, part of the signature Trump Attaché program.

A full suite of these exceptional services, and many more, will be available to Presidential Penthouse buyers.

Downtown Manhattan's most posh address, Trump SoHo is home to The Spa at Trump, designed by [Ivanka Trump](#) and featuring two levels of pampering services and New York's only authentic luxury Turkish hammams; a 6,000 square foot alfresco pool deck and the seasonal Bar D'Eau.

For a fine dining experience, try the signature restaurant Koi SoHo, which serves patrons a contemporary Japanese cuisine in a sensual dining oasis. Relax after for a few drinks and endless socializing at The Spot – a chic nightlife lounge.

Trump SoHo named after celebrity and businessman [Donald Trump](#), consists of 391 spacious guestrooms and suites and is the first luxury hotel in the SoHo neighborhood. This luxury property has gained the attention of international travelers and sophisticated New Yorkers alike.
